

NEW YORK DAILY TRIBUNE, THURSDAY, MARCH 17, 1859.

8

The London Times notices sales of New-York Central Stock on the 29th of February at \$14. It notices and quotes as follows:

Colonial shares were 54, Buffalo and Lake Huron, and Great Western of Canada showing a reduction. The latter declined after fifteen hours, from 14 to 13 from the falling off in the traffic. In American securities the share of the Illinois Central receded to 37 or 38 dollars.

Illinois Central Co., 1875. 27 or 28.

Illinois Central Co., 1875. 28 or 29.

Illinois Central Co., 1875. 28 or 29.

Illinois Central Co., 1875. 28 or 29.

Michigan Central Co., 1869. 28 or 29.

Michigan Central Co., 1875. 28 or 29.

packages are imported, of the common kinds, such as White Metal, Sheet Lead, Zinc, &c. The last will be shipped from Rochester, April 1st to 5th. The entire exports west of Union are moving to the Western market.

The stock of New-York is reported as steady. Prices are the same in Boston, and are a little lower. The stock of New-York Central in this market is held, with a disposed light weight.

We have had a remarkable number of orders for cable cars during the past week, and some of these orders have been for a little improvement. We shall

see what we can do for them.
